

Arctic Air Commercial Chest Freezers.

Shown front to back, Models CF20, CF05, CF13. Five models available in all, 5 to 20 cubic feet. See back page for details.

ANSI/NSF Standard 7 certification for pre-packaged food storage—even ice cream—because they deliver temperatures down to -18°F .

The beauty of these chest freezers only starts with the price. The payoff comes when the health inspector visits.

White, poly-coated steel interior is bright, durable and easy to clean.

One epoxy-coated wire basket comes with all models. Extra baskets available, see below for ordering information.

Efficient, warm-wall condenser keeps the cabinet exterior dry without using electric heaters.

Environmentally friendly 134A refrigerant.

Convenient temperature control, 7 setting adjustments.

White, textured steel instead of stainless, cuts costs and fingerprints.

Four, easy-to-install, heavy duty casters standard with all models.

Heavy-duty pop-out key lock standard for safety and security. Key automatically ejects to prevent being left in the lock.

Tested and certified to ANSI/NSF Standard 7 for pre-packaged foods—even ice cream—since these freezers will deliver temps down to -18°F. Freezers come with NSF Certified Thermometer.

Two and a half inches of wall insulation make these units some of the most energy-efficient in the industry. At .0867cents/KWH, average energy costs range from \$32 a year for the 5 cu. ft. model to \$70 for the 20 cu. ft. model.

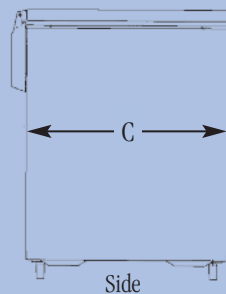

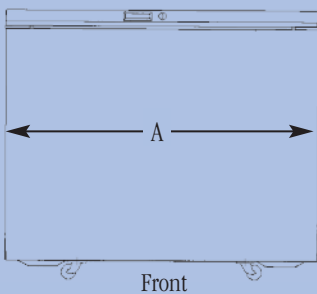

Simple, manual defrost. Water drain port makes defrosting easy and efficient.

Made in USA and comes with full warranty: 5 years on compressor, 1 year parts and labor.

All five models are tested and certified to ANSI/NSF Standard 7 for pre-packaged foods. These freezers are efficient to operate, fully warranted, and save you hundreds of dollars because, even though they wear the NSF mark, they're priced more like household chest freezers.

Model #	External Dimensions			Internal Dimensions			Cubic Feet	Temperature Range	H.P.	Shipping Weight	Average Annual Operating Cost
	Width (A)	Height (B)	Depth (C)	Width	Height	Depth					
CF05	27.0	36.9	21.75	21.75	29.1	16.5	5.0	-4.8° to -17.7°F	1/6	123 lbs	\$32
CF07	35.0	36.9	21.75	29.75	29.1	16.5	7.2	-3.0° to -15.9°F	1/6	139 lbs	\$40
CF13	42.7	36.9	27.5	37.5	29.1	22.25	12.8	-6.3° to -18.0°F	1/3	161 lbs	\$63
CF15	48.0	36.9	27.5	42.75	29.1	22.25	14.8	-5.2° to -17.9°F	1/3	170 lbs	\$62
CF20	61.25	36.9	27.5	56.0	29.1	22.25	19.7	-5.7° to -17.3°F	1/3	220 lbs	\$70

NSF Certified and Listed by UL. 115 Volt. 15 Amp recommended circuit. Grounded outlet required, GFI circuit not recommended.

Extra basket kits available. For 5 and 7 cu. ft. models (CF05 and CF07) order basket model 216710100. For 13, 15, and 20 cu. ft. models (CF13, CF15, and CF20) order basket model 216710200. Products and specifications subject to change.

“Finally, a cheap chest freezer even the health inspector can love.”
